COON CREEK
WATERSHED DISTRICT

FY27 WBIF Next Steps

11/12/26 | TAC Meeting

Watershed Based Implementation Funding (WBIF) Overview

Purpose: non-competitive grant funding to accelerate clean water activities towards achieving Minnesota's water resources goals through prioritized and targeted cost-effective actions with measurable water quality results

Eligible activities:
Prioritized, Targeted, & Measurable projects, practices, & programs with primary purpose of water quality improvement referenced in implementation section of eligible plan (i.e., CCWD Comp Plan)

- Each grant agreement >$30,000
- 10% required match

CLEAN WATER LAND & LEGACY AMENDMENT

FY27 WBIF

FYs	Allocation Area	Funding within CCWD
2018-19	Anoka County	$191,973
2020-21	Mississippi East	$93,042
2022-23	Coon Creek Watershed	$216,377
2024-25	Coon Creek Watershed	$294,100
2026-27	Coon Creek Watershed	$294,099

FY27 WBIF Process & Progress

1. The Coon Creek Watershed Planning Area Partnership establishes:
   - a facilitator: **Justine (CCWD)**
   - voting representatives: **Jon (CCWD), Chirs (ACD), Kameron (Andover), Rachel (Fridley)**
   - decision-making criteria: **Tiered Majority (informal group vote, official vote)**

2. Identify eligible projects/activities for consideration: **ongoing**

3. Partnership hosts a "Convene Meeting" to vote on activities: **December TAC Meeting: 12/11 at 8:30am**

4. Budget Request is submitted to BWSR by **April 30, 2027**
5. Grant agreement is Executed between BWSR and eligible entity by **June 1, 2027**
6. Grant expiration deadline: **December 31, 2029**

Next Steps
