COON CREEK WATERSHED DISTRICT
PERMIT REVIEW

MEETING DATE: May 27, 2014
AGENDA NUMBER: 10
FILE NUMBER: 14-059
ITEM: Ed Davis Retaining Wall

RECOMMENDATION: Approve with 3 stipulations

APPLICANT: Ed Davis
3538 Mississippi Dr NW
Coon Rapids MN 55448

PURPOSE: Retaining wall reconstruction along the Mississippi River

LOCATION: 3538 Mississippi Dr NW, Coon Rapids MN
APPLICABILITY:
1. Any work in or adjacent to wetlands, lakes or water courses.
2. The lands and water that have been, or may be covered by the regional flood.
3. Highly erodible soils

EXHIBITS:
1. Letter addressing Erosion and Sediment control by Anything Outdoors; no date provided
2. Retaining wall plans by Anything Outdoors; dated May 14, 2014; received May 14, 2014

HISTORY & CONSIDERATIONS:
The applicant is proposing to replace the existing retaining walls on the property. The existing retaining walls are beginning to fail.

FINDINGS:
Ditches and Drainage: There is not a public ditch on the property. The project is located on the Mississippi River.

Floodplain: There is floodplain on the property according to FEMA. The project is in the Mississippi River Floodplain. The total floodplain impact is 0 acre-feet. Compensatory storage is not needed.

Local Planning & Zoning: The project is within the Mississippi River Critical area. The proposed project is consistent with local planning and zoning. The applicant is in the process of applying for the City of Coon Rapids permit for the project.

Soils & Erosion Control: Soils affected by the proposal are Nymore and Kingsley. All water bodies are protected from erosion and sedimentation. Project site is not greater than 1 acre; an NPDES permit is not required.

Stormwater & Hydraulics: The volume management requirement is not applicable for this application.

Water Quality: Project does not include new impervious drainage areas greater than 1 acre.

Wetlands: Wetlands do not exist on-site according to the 1987 Federal manual, NWI, PWI and Soil Survey.

Wildlife: The proposed project does not include endangered or threatened species, rare natural communities, colonial waterbird nesting sites, migratory waterfowl concentration areas, deer wintering areas or wildlife travel corridors.
Performance Escrow: $2,015
