BACKGROUND
As part of the District Bank Stabilization Program four sites have been identified and prioritized for work in 2014.

1. Erlandson Bank Stabilization Project (Budget $20,250)
2. Carr Bank Stabilization Project (Budget $20,250)
3. Woodcrest Bank Stabilization Project (Budget $136,500)
4. Pleasure Creek Bank Stabilization Project (Budget $17,500)

As part of the District Capital Improvement Plan three repair projects have been identified and prioritized for work in 2014

5. Ditch 17 Repair (Budget $40,814)
6. Lower Coon Creek Repair (Budget $84,480)
7. Pleasure Creek Repair (Budget $12,000)

As part of the District Capital Improvement Plan three retrofit sites have been identified and prioritized for work in 2014

8. South Sand Creek Rain Gardens (SCR3, Budget $77,500)
9. University Avenue Project (SCR5, Budget $113,690)
10. *Woodcrest Rain Gardens (WC8, Budget $51,492)

The District was awarded two Conservation Corps Clean Water Fund Grants on January 28, 2014 for tree thinning and seeding to prevent future bank stabilization projects.

11. Erlandson Nature Center Creek Stabilization (16 crew days/800 hours)
12. Pleasure Creek Stabilization (16 crew days/800 hours)

* Woodcrest Rain Gardens were originally secluded in the Districts CIP for 2015 construction but was exchanged with the North Sand Creek Rain Garden project originally scheduled for 2014 in order to collaborate with City of Coon Rapids road construction projects in both catchments.
