Trail Infiltration Summary

A Soils
1:1 Ratio Trail to Turf

B Soils
4:1 Ratio Trail to Turf

C & D Soils
Amended Soils needed at 1:1 Wide Ratio in receiving area

For example:

A Soil - 10' wide trail would require 10' grassed area

B Soil - 10' wide trail would require 40' grassed area

C & D Soils - 10' wide trail would required 10' amended soils at 1' depth
