

# Properly Dispose of Medication

## Have unwanted, unused, or expired medication?

Bring it to a medication take back location to properly dispose of it. You'll protect the health of your community & local waters.

### How It Works

Bring medication to disposal location in its original container with personal information removed/scribbled out. It needs to meet location requirements. You may go to any location on this bookmark.

If weekdays don't work for you, some police departments have weekend take-back events in the spring & fall. Ask your department if they host these events.
