MS4 Annual Report Update

All MS4 permittees covered by the 2020 MS4 General Permit will not need to submit an annual report by June 30, 2024.

The MPCA is still in the process of developing a new e-service for the MS4 annual report. This means MS4 permittees that have coverage under the 2020 MS4 General Permit do not need to submit an annual report for calendar year 2023 by June 30, 2024. Instead, reporting is deferred until the e-service is available. At that time, MS4 permittees will be expected to begin reporting MS4 activities for each previous reporting year (i.e., each calendar year after 2021).

The Minnesota Pollution Control Agency is a state agency committed to ensuring that every Minnesotan has healthy air, sustainable lands, clean water, and a better climate.
