

COON CREEK
WATERSHED DISTRICT

Local Water Planning Requirements

- LWPs not due until ~2028
- CCWD not requiring new LWPs in the interim
- We are requiring a narrative including:
 - Statement of intent to implement CCWD 2024-2033 Comp Plan and Subwatershed Plans
 - Explanation of how the “Joint Objectives” listed in section 5.1.4 (3) will be addressed or achieved in near term by the City
- CCWD wants these LWP narratives adopted by City Councils
- CCWD is requiring the completed Subwatershed Plans and schedule for future Subwatershed Plans to be adopted by City Councils
