

# COON CREEK WATERSHED DISTRICT

---

## Celebrating 65 Years of Coon Creek Watershed District: A Look Back and a Vision Forward

We invite you to join us in celebrating not only the accomplishments of CCWD over the past 65 years, but also the partnerships that have made those accomplishments possible. Without the dedicated work and support of individuals and organizations like yours, we would not be where we are today. There will be opportunity for you to give us input because water management has been, and will continue to be, a team effort

**Date:** Tuesday, May 28th

**Time:** 4:00 PM

**Location:** 13632 Van Buren Street  
NE Ham Lake MN 55304

**Agenda:**

Cake & refreshments provided

*4:00 PM - 5:00 PM*

Informal networking session & opportunities for input

*5:00 - 5:25 PM*

Welcome, Thank you, & Presentation: "65 Years of Water Management: Past, Present, & Future"

---

Sixty-Five years ago local citizens petitioned for the Coon Creek Watershed District to be the local ditch authority overseeing 92 square miles of land draining to Coon Creek in central Anoka County. In 2012, the District was given additional jurisdiction over 15 square miles draining directly to the Mississippi River in Coon Rapids, Fridley and Spring Lake Park for a total of 107 square miles.

---

*Managing surface water and groundwater systems and contributing lands to provide for and balance the competing uses of development, drainage, flood prevention, and the protection and restoration of water quality and habitat for the benefit of our communities now and in the future.*
